AUTHOR DECLARATION

I, Ashis Kumar Samal, hereby declare that:

1. The manuscript entitled “*AGEING IN THE SHADOW OF DEVELOPMENT: IMPACTS OF THE LOWER SUKTEL DAM PROJECT ON ELDERLY DISPLACED PERSONS IN ODISHA*” is my original work.
2. The manuscript has not been published previously in any journal, book, conference proceedings, or other publication.
3. The manuscript is not under consideration for publication elsewhere and will not be submitted simultaneously to any other journal until the editorial decision of AD EDUXIAN is communicated.
4. All sources of information used in the preparation of this manuscript have been duly acknowledged and cited.
5. The manuscript does not contain any material that infringes upon any copyright, proprietary right, or intellectual property right of any individual or institution.
6. The data presented in the manuscript are genuine and have been collected and analyzed ethically for academic and research purposes.
7. I accept full responsibility for the content, interpretation, and conclusions presented in the manuscript.

COPYRIGHT TRANSFER AGREEMENT

I hereby transfer and assign to AD EDUXIAN Journal the copyright of the above-mentioned manuscript, including the rights to publish, reproduce, distribute, archive, and disseminate the article in print, electronic, and online formats, subject to the journal's publication policies.

I understand that the copyright transfer shall become effective only if the manuscript is accepted for publication.

I further confirm that no part of this manuscript violates existing copyright laws and that any copyrighted material used has been properly acknowledged.
